RENTON ACCESSIBLE PLAYGROUND

1. Love the #9, #E nature well thought out appreciate the
2. I really like the concept and that the City of Renton is finally including all "levels of abilities in this playground. I am excited and I know my son will. I also think that the City needs to market this plan out to the community because I think most people have no idea what the City is planning. If my son did not attend Hillcrest I would not be here, so SELL it!!
3. I believe this is an amazing idea for any community. The thought that Renton will have a facility such as this is truly great. I like the idea of giving each entry way a giant display of some sort explaining the park. I think at the bottom would be a great place to recognize donations.
4. First aid area? Perhaps basic kit in the restroom: band aids, antiseptic cream, etc...
5. Service animal inclusion? Need mitts for waste, outdoor plumbing to fill dog water bowls, birthday/events shelter; early childhood: love "C, E, F" caterpillar instead dragon; climbing? Love "H, J, K"; older children "low monkey bars"; nature play "R, S, T, U" ; general play "3, 4, 7, 8, 11, 13, 14, 15, 16, 22, 23"
6. Service animal friendly; swings? like Aeroglider; accessible parking and entrance nearby; letter "J" rolling hill/walkway to slide; kids love those talk tube; general play #7; picnic benches; more shelter areas (rent for \$\$)
7. So looking forward to all the pictured activities! My little boy is 100% wheelchair dependent so I strongly ask that K, 7, 5, 3, 15 be included. These would be the only things he could play on so please don't leave these out. A zip line with a handicap seat would be extremely fun to have!!
